

# How to get a digital copy of your member ID card

Did you know you have two ways to access your Independence Administrators member ID card(s) digitally? This may be helpful if you don't have your physical card on hand — like if you left it at home, lost it, or need to fax or email it to a health care provider.

## 1. Online at [myibxtpabenefits.com](https://myibxtpabenefits.com)

When you log in at [myibxtpabenefits.com](https://myibxtpabenefits.com), you'll see your personalized *Quick Actions* page, where you can access a direct link to your ID Card (blue box). You may also skip to the *Dashboard* page and click on *View ID Cards*.

Click on the image of your ID card to view a digital version.

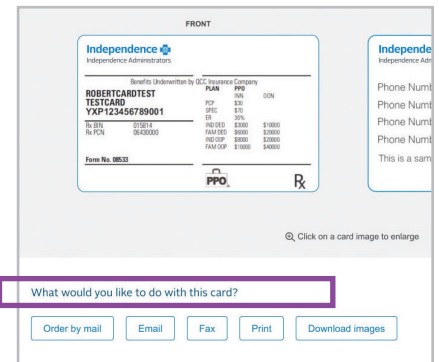

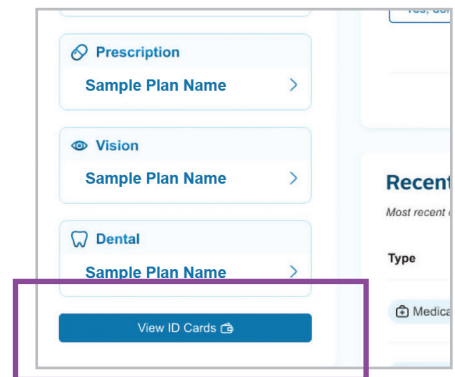

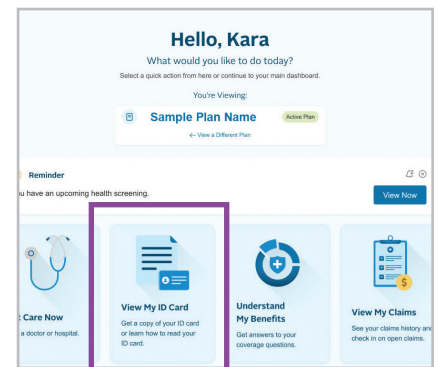

- Select *Print* to print the card.
- Select *Download Images* to save a PDF of your card.
- Select *Email* to email a copy of the card or *Fax* to fax a copy of your card.
- Select *Order by Mail* to order a replacement card.
- If any dependents are covered by your health plan, select their names from the drop-down list to view each dependent's digital ID card.

Not yet registered for online account access? Visit [myibxtpabenefits.com](https://myibxtpabenefits.com) or download the IBX mobile app and register today.

- Select *Order by Mail* to order a replacement.
- Select *Share* to see options such as Print, Download Images, Email, and Text.
- If you have an iPhone, select *Add to Apple Wallet* to make your card easily accessible.
