

Prescription drug benefits

Your group health plan includes prescription drug coverage, so you get safe, affordable access to covered medications.

Easy-to-use digital tools

It's easy to manage your prescription drug benefits online through your secure member account. Log in at ibxtpa.com/login to find an in-network pharmacy, estimate drug costs, review claims, and submit mail order/home delivery requests.

Mail order convenience

Mail order/home delivery with free shipping is available for medications you take regularly. In most plans, you'll pay less for a 90-day supply when you use mail order/home delivery.

You can also get a 90-day supply of your maintenance medications at an in-network retail pharmacy for the same cost-sharing as mail order/home delivery.

Savings on self-administered specialty drugs

Our program for self-administered specialty drugs provides convenient delivery options and support for members with complex conditions, including cancer, hemophilia, hepatitis C, HIV/AIDS, rheumatoid arthritis, multiple sclerosis, and other inflammatory conditions. You'll get counseling from experienced pharmacists and nurses by phone or video chat and access to videos and other resources.

Lower-cost alternatives

We're helping members save money. You'll pay less when your doctor prescribes generic and lower-cost brand alternatives. We make it easier for doctors to select more affordable medications because many can see how much you'll pay for a medication while they're choosing one to prescribe for you.

See what's covered

Your drug formulary is a list of drugs covered by your prescription drug plan. To see if a prescribed medication is on your formulary and how much you will pay out-of-pocket for it, log in at ibxtpa.com/login or call the Pharmacy Benefits number on the back of your member ID card.

Our prescription drug plans are administered by an independent pharmacy benefits management company.
